

ALTRUCOIN WHITEPAPER (ENGLISH VERSION)

Introduction

AltruCoin is a token on the BNB Smart Chain created to support charitable initiatives. It allows people to contribute to real-world good simply by trading the token.

Mission

Our goal is to connect the crypto world with real acts of kindness. We're building a transparent system of donations powered by blockchain.

Token Mechanism

Each transaction has a 5% tax:

2.5% to charity (in USDT)

2% to project development

0.5% automatically burned (deflationary)

Tokenomics

Total supply: 21,000,000,000 ALTRU

Network: BNB Smart Chain (BSC)

Contract: 0x7c734036c3C194d62CB5fADba8F93cCB85E0E0f4

Roadmap

Technical launch

Website and MetaMask integration
